GREEN TEA ANTI OXIDANT

Beneficial effects of green tea were well-known from the early times. Nowadays, with reasons of those benefits, green tea contains nutritious skin ingredients including Vitamin E, Vitamin C and Vitamin B. It is antibacterial and anti-oxidant and the leaf of the green tea consists of several healthy antioxidants which are scientifically known as catching polyphenols. Moisturizer with a green tea antioxidant oil, the formula is very effective to help lift dead skin cells with a traditional aromatic freshness.

The package takes 1 hour and 50 minutes inclusive of green tea welcome drink, foot cleaning with Thai herb, steam, green tea body scrub, green tea aroma massage, facial relaxing: pressure point for facial lymphatic drainage with Aloe vera and cucumber mask and hot tea

Special offer just only: 1,500 baht/person

GM MEETS STAFF

Mercure Patong Phuket recently organized its "GM Meets Staff" at the Mercury II. Hotel's General Manager, Veeranat Limprasutr, shared the overall result of hotel operation during the past one year with their staff and gave them small working tips and briefing on staff procedures as well as cost saving. At the same time, they took this opportunity to thank you the staff for their effort and dedication as well as the information on the new opening of Mercure Krabi Deevana in Ao Nang next year 2011.

MERCURE KRABI DEEVANA

"GROUND BREAKING CEREMONY"

Ground Breaking Ceremony for Mercure Krabi Deevana has been held recently. This would be the beginning step of the coming new fantastic Accorproperty under the Mercure brand in Ao Nang, which is touristic and popular area in Krabi province. The hotel is scheduled to open in October 2011.
